

# DRILLS

## 709, 709-R, 709-R-1/2 & 710

- Needle bearing construction (709-R-1/2 only)
- Ball bearing construction.
- Planetary gearing for heavy duty usage.

**709**  
3/8" Angle Drill

**\$139.00**

The **709, 709R, 709-R-1/2 & 710 Specialty Drills** are designed to get into hard to reach areas where pistol types are not accessible.

**709-R**  
3/8" Reversible Angle Drill

**\$159.00**

**709-R-1/2**  
1/2" Reversible Angle Drill

**NEW!** **\$169.00**

**710**  
3/8" Straight Drill

**\$97.00**

### Specifications:

Model	Speed (rpm)	Chuck Size (in)	Aver. Air Consumption (cfm)	Air Pressure (psi)	Spindle Thread (in.)	Length (in.)	Weight (lbs.)	Hose Size (ID)
709	1,900	3/8	4	90	3/8"-24	8	2-1/2	3/8"
709-R	1,500	3/8	4	90	3/8"-24	7	2-1/2	3/8"
709-R-1/2	1,200	1/2	4	90	3/8"-24	8	2-1/2	3/8"
710	2,600	3/8	4	90	3/8"-24	8-1/2	2	3/8"
A26PD	2,900	1/4	5	90	3/8"-24	5-1/2	1-1/3	3/8"
A48PD	1,700	3/8	9.5	90	3/8"-24	6-1/4	2	3/8"
A62PD	750	1/2	9.5	90	3/8"-24	6-1/4	2	3/8"

Air Inlet - 1/4" NPT

## A26PD, A48PD & A62PD

### Composite Housing Drills

- Industrial quality drill chuck.
- Powerful 7 Vane Motor
- Top mount reverse valve - Easy to switch direction - One hand.
- Output power 30% more than other models.
- **Lightweight, Ergonomic easy grip.**
- Low Noise 72 - 76 dBA
- Available with Keyless Chucks on request.

**A26PD**  
1/4" Reversible Drill

**NEW!**  
**\$190.00**

**A48PD**  
3/8" Reversible Drill

**A62PD**  
1/2" Reversible Drill

**NEW!**  
**3/8" - \$192.00**  
**1/2" - \$275.00**

# Drills

## 701, 704, 705, 705K

- Ball bearing construction.
- Planetary gearing for heavy duty usage.
- Variable speed tease throttle.
- Muffled handle for quiet operation.
- Cushion grip handle.

**701 3/8" Drill** **\$99.00**

## 7010, 7010K, 7030, 7050 & 7050K

- Ergonomic handle design.
- Variable speed tease throttle.
- Built-in comfort grip.
- Rear exhaust.
- Rotating air inlet.

**7010 3/8" Drill** **\$135.00**

**\$160.00**  
**7010K**  
**3/8" Drill c/w**  
**Keyless Chuck**

**705 3/8" Reversible Drill** **\$106.00**

**\$131.00**  
**705K**  
**3/8" Rev. Drill c/w**  
**Keyless Chuck**

**7050 3/8" Reversible Drill** **\$149.00**

**\$174.00**  
**7050K**  
**3/8" Rev. Drill**  
**c/w Keyless Chuck**

**703 1/2" Drill** **\$146.00**

**7030 1/2" Drill** **\$180.00**

### Specifications:

Model	Speed (rpm)	Chuck Size (in)	Aver. Air Consumption (cfm)	Air Pressure (psi)	Spindle Thread (in.)	Length (in.)	Weight (lbs.)	Hose Size (ID)
701	2,200	3/8	4	90	3/8"-24	6-1/2	2-1/2	3/8"
7010 & 7010K	2,600	3/8	4	90	3/8"-24	7-7/16	2-3/4	3/8"
705 & 705K	1,800	3/8	4	90	3/8"-24	6-1/2	3	3/8"
7050 & 7050K	1,800	3/8	4	90	3/8"-24	8	3	3/8"
703 & 7030	500	1/2	4	90	3/8"-24	7	4	3/8"

All Drills c/w heavy duty industrial chucks. Air Inlet - 1/4" NPT

# Drills

## 704

- Ball bearing construction.
- Planetary gearing for heavy duty usage.
- Variable speed tease throttle.
- Muffled handle for quiet operation.
- Cushion grip handle.

**704**  
1/2" Reversible Drill

## 7040

- Ergonomic handle design.
- Variable speed tease throttle.
- Built-in comfort grip.
- Rotating air inlet. ■ Rear exhaust.
- Top mount reverse valve.

**7040**  
1/2" Reversible Drill

### Specifications:

Model	Speed (rpm)	Chuck Size (in)	Aver. Air Consumption (cfm)	Air Pressure (psi)	Spindle Thread (in.)	Length (in.)	Weight (lbs.)	Hose Size (ID)
704 & 7040	800	1/2	4	90	3/8"-24	7	4	3/8"

All Drills c/w heavy duty industrial chucks. Air Inlet - 1/4" NPT

These air drills are powerful, lightweight, heavy duty tools that you have come to expect from **Top Cat** tools. The **500** and **507** series tools have two (2) planetary gear trains to increase the torque. The gear layout features very large external bearings on the planet gears making the gear train bullet-proof. Made from quality components in the U.S.

### 500FD1M & 507FD1M 'T' Handle Drills

Throttle Type - (L) Lever  
(K) Safety Lever

Allows repetitive floor drilling tasks to be performed from a standing position.

### 500D2M & 507D2M 3/4" 'D' Handle Drills

Dead Handle included.

Call our Order Desk for Pricing.

Exhaust Direction - Side  
Body Diameter - 2.5" / 64 mm

### Specifications:

Model	Chuck Capacity	Speed rpm	Power Output hp / w	Weight		Length		Air Consumption cfm
	in.			lbs.	kg	in.	mm	
500D2M	3/4	1,000	1.5 / 1130	10.8 / .4 Alum.	11.1 / .6 Steel	17.4	443	35
507D2M	3/4	400 - 900				18	458	
500FD1M	1/4, 3/8, 1/2 or 3/4	4,000	1.5 / 1130	14.3	6.5	36	914	35
507FD1M		1,750 - 3,600		14.4	6.5	36.8	935	

Air Inlet - 1/2" NPT, Hose Size - 1/2"

# Drills

## 1/4" & 3/8" & 1/2" Drill Chucks

### Keyed

**KHN-21050** -1/4" Capacity  
3/8"-24 Spindle Thread

**KHN-21051** -3/8" Capacity  
3/8"-24 Spindle Thread

**KHN-21052** -3/8" Capacity  
1/2"-20 Spindle Thread

**KHN-21053** -1/2" Capacity  
3/8"-24 Spindle Thread

**KHN-21027** -1/2" Capacity  
1/2"-20 Spindle Thread

*Suitable for heavy duty drilling. High speed drilling, superior gripping power.*

**1/4" - \$15.82**  
**3/8" - \$41.25**  
**1/2" - \$49.97**

### Keyless

**KHN-31011** -3/8" Capacity  
3/8"-24 Spindle Thread

**KHN-31012** -3/8" Capacity  
1/2"-20 Spindle Thread

**KHN-31013** -1/2" Capacity  
3/8"-24 Spindle Thread

**KHN-31014** -1/2" Capacity  
1/2"-20 Spindle Thread

*Locking Keyless Drill Chucks. Rotating sleeve "locks" chuck for safety. Simply turn sleeve until it clicks. For portable air and electric drills.*

**3/8" - \$29.74**  
**1/2" - \$40.00**

### Keyless

**KHN-31021** -3/8" Capacity  
3/8"-24 Spindle Thread

**KHN-31022** -3/8" Capacity  
1/2"-20 Spindle Thread

*Super Grip, no hand tightening required. No bit slippage. More powerful than conventional chucks. Easy to grip and release bits by using the forward and reverse on drill. Must be used on reversible drills.*

**\$59.99**

### Keyless

**KHN-14007** -3/8" Capacity  
1/2"-20 Spindle Thread

**KHN-14008** -3/8" Capacity  
3/8"-24 Spindle Thread

*Precision Self-Tightening automatic gripping power. Rigid construction superior to other brands.*

**\$65.00**

### Keyless

**KHN-31029** -1/2" Capacity  
3/8"-24 Spindle Thread

**KHN-31030** -1/2" Capacity  
1/2"-20 Spindle Thread

*All Steel Super Duty. Rotating sleeve "locks" chuck for safety. Simply turn sleeve until it clicks. c/w carbide inserts in jaws. For portable air and electric drills.*

**\$50.00**

## Economy Automotive Drill Chucks

**4G61** - 3/8" Capacity  
3/8"-24 Spindle Thread

**\$18.55**

**8K61** - 1/2" Capacity  
3/8"-24 Spindle Thread

**\$30.00**

*Certain models now available carded for POP displays.*

**KHN-21009** - 3/8" Capacity  
3/8"-24 Spindle Thread

### Keyless

**KHN-31003** - 3/8" Capacity  
3/8"-24 Spindle Thread

*Call for special price.*

## Chuck Keys & Adaptors

**KG** - Chuck Key  
3/8" Capacity

**\$2.63**

**KK** - Chuck Key  
1/2" Capacity

**\$4.26**

**K5A** - Chuck Key  
1/4" Capacity

**\$2.75**

**S2** - Chuck Key  
3/8" Capacity

**\$4.38**

**CK5** - Chuck Key  
1/2" Capacity

**\$7.10**

**QC250** -1/4" Screwdriver  
Chuck

**\$18.00**

*Converts any Drill with a 3/8"-24 Spindle Thread into 1/4" Screwdriver.*

**KHN-81008** -1/4" Hex  
Drill Chuck Adaptor

**\$4.50**

*Converts your Screwdriver into a 3/8"-24 Spindle Thread Drill. (Chuck sold separately).*
